With its ceramic tiles enriched with the natural texture of wood plus compatible furniture, vitrified products and accessories, the Nordic series promises a bathroom experience set in nature. Every tile reflects the original texture of wood in its natural form, and is offered in 15x60cm dimensions with four color options. Evoking the experience of returning to nature in the crystal clear air of the Nordic countries, this series integrates the naturalness of wood with the durability of ceramics, providing a feeling of peace and relaxation.
