MADERA

Indistinguishable from natural wood...

Madera transfers the color and texture of wood to ceramics. Bringing the durability that wood cannot offer, this series is compatible with natural parquet, offers many variations, and appeals to those who seek elegant and modern solutions.

The image features a background of vertical wood-grain planks in a light beige or taupe color. The grain patterns are natural and varied, with some knots visible. The planks are separated by thin white vertical lines. Overlaid on this background is the word "MADDERA" in a large, dark blue, serif typeface. The text is oriented vertically, reading from bottom to top, and is centered horizontally across the image.
